# Outstanding Issues

- Dehcho Land Use Plan Committee members worked very well together to resolve many issues when revising draft Interim Plan
- Four issues were referred to the Dehcho Process Main Table to provide direction (as per the 2007 DLUPC Terms of Reference):
  - Ability of Interim Plan to determine location of pipelines.
  - Is direction under the *DFN Interim Measures Agreement* and the Draft Interim Plan harmonized?
  - Finalizing zoning once process to establish the Edehzhie National Wildlife Area is completed.
  - Should there be conditions for pipelines that cross Conservation Zones and Candidate Protected Area Zones?
